NEFAB

Assembly Instruction

5. Pull the sides apart so the tongues can slide into the slots. Seal the tongues.

6. Slide the short sides/long sides (the ones with tongues) down along the profiles.

7. Place the lid and seal all tongues.

8. Make sure the tongues go into the slots in the profile.

9. Seal the tongues. Use a Nefab tool/screwdriver/hammer or similar.

10. Bend the tongues 180 degrees.
